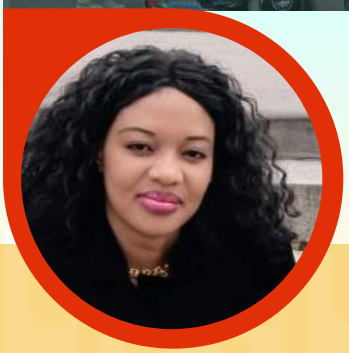
FOR EDIFICATION, HOPE & COMFORT



You've got much more than you think

In God's image and likeness you were created, to decree a thing and it will be as you have said it...

Prophetess Gloria Austine
Mountain of the Lord (Global Empowering Centre), UK

IN PURSUIT FOR 'DESTINY'

1 Samuel 9:3, Now the donkeys belonging to Saul's father Kish were lost, and Kish said to his son Saul, "Take one of the servants with you and go and look for the donkeys."

Saul sets out in search for the lost donkey in obedience to his fathers request, not knowing that his journey was a divine set up in pursuit for destiny. In the course of his pursuit, he passed through different places (which could also be interpreted today as seasons of life), but could not find what he sought. At some point he decided to go back home. But realised that his search would be effortless and stress free, through Revelation, hence remembered the prophet Samuel and sought to see him in other to acquire clearity and direction for his search.

RHEMA FOR YOU

What if the things, opportunities, people, etc, that you thought you had lost contact with were not actually lost? But were hidden away from you, in other to prompt you to press deeper in faith, hope and expectations. (1 Samuel 9:20, as for the donkeys you lost three days ago, do not worry about them; they have been found). On the course of his journey in pursuit for destiny, he was anointed as ordained by God to be the king of Israel.
Like Saul you might not have all the pedigree suitable to be CHOOSEN, but a concious walk in puruit for destiny can connect you with the REVELATION that can change your life.

Six Ways to Find Unforgiveness and Remove It

Don't let unforgiveness cause you to fail tests in certain areas intended for your promotion.

WITH JOYCE MEYER

(2) UNFORGIVENESS ALWAYS BOASTS OF ITS OWN RECORD.

In Luke 15:29, the older brother of the prodigal son says "These many years I have never done wrong." Judgment always says that I always do good and others do bad. An unforgiving spirit keeps us from God's best for us.

(3) UNFORGIVENESS ALWAYS COMPLAINS.

"You never do anything for me." Ever catch yourself thinking that about someone? This attitude only sees what others aren't doing and doesn't see what they are doing. God's Word clearly shows that we're not supposed to complain. And if you're continuously using your mouth to complain about some incident of offense, you won't get past it. Don't waste time by complaining.

Joyce Meyer explains how to apply Biblical solutions to your daily living and discover answers to your everyday dilemmas.

"The enemy has always had a great way of trying to keep each of us tied to past sin, weighing us down with sorrow or pain and regret. Feeling heavy under the weight of knowing you made stupid mistakes will, if you allow it, cripple you for life. We have all fallen short. There is no one on earth who has not made mistakes. The Time to Take Back Your Life is Now

- CHUCK PIERCE

"... Some of you have known there is treasure within you, and asked, 'Lord, why did You put this here if I'm never going to get to use it and nobody sees it?' But there's been a refining work and aging process that I needed to complete before this was ready to be brought out. There is treasure within you, and I will not bring it out prematurely so that you fall short of the ultimate destiny I have for you. You will not need to press to open the door to the treasure I have developed within you. Rather, I will open double doors to draw out what is mature, perfect and complete ..."

FOR HEALTHY LIVING

God's desire for you is to be healthy

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. (3 John 1:2)

Dr Joy Victor Osazuwa

DIABETES AND FRUITS.

The idea that diabetics should not eat fruits because of it's sugar content is very erroneous. Fruit is necessary in cases of diabetes, since it contains antioxidants, vitamins that mitigate the course of the disease and protect against the cardiovascular complications that tends to accompany it.

The only precautions are the needs to control their use to avoid excess sugar. And NOT to eat dry fruits (raisins, dates etc.). Mangos and bananas are the best tolerated.

Avocado helps maintain an adequate blood sugar levels, reduce cholesterol and balances the fat composition in the blood.
All of which are particularly beneficial for diabetics.
A healthy diet and lifestyle can effectively take care of diabetes.

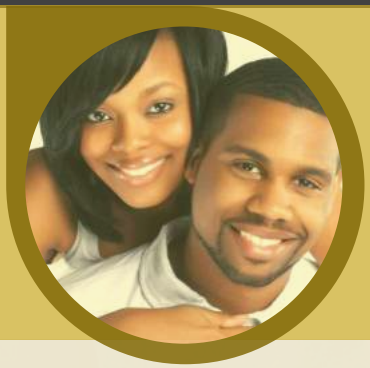
WEEKLY RHEMA4LIFE

FOR MARRIED & SINGLES



God has a sure plan to get you further than you think.

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage.

PRESENTED BY RHEMA4MARRIED

Q

My partner seperated from me for a long time and married someone else. I am a God fearing woman and don't want to engage in any intimate session until I am married to someone else. How do I combat the urge that often comes.

Thank you for being honest about your feeling. In respect to the sacred essence of reproduction, Scripture advises us to refrain from non-marital intimate relations. Becauses the consequences that comes with it, is much more than the assumed benefit that comes with its few minutes of false satisfaction.

(Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; (1 Corinthians 6:19).

Samson had a great destiny but his inability to control his desire for intimacy, led him into the arms of prostitues and finally to the arms of the wrong woman who betrayed him.

It is important to keep asking God to strengthen you, to subdue the urge that will lead you into sin and error; It would be helpful to also minimise association with any atmosphere/environment and individual(s) that will arouse such desire in you.

I believe that in response to your prayers God's grace will en-able you to constantly subdue the flesh, and His Spirit will guide you to the right relationship that will bring Him glory this time.

During the saturday prayerline session, we were led to pray against fatal accidents, which we did, immediately after the session as soon as i stepped out of my prayer closet, I saw my son's feet covered in blood. He told me he had a cut on his feet while playing, I thanked God and proceeded to apply first aid, after which I knelt down to worship God who prompted us to pray concerning accidents. I thank God it was a minor cut.

WEEKLY RHEMA4LIFE

FOR YOUTHS & YOUNG ADULTS

God has a sure plan to get you further than you think.

Let us help you deal with the most challenging questions you face as a young adult

PRESENTED BY RHEMA4YOUTH

Q How do I know that God answers my prayers & why do some answers not come?

Each time we pray, God certainly answer. There are numerous scriptural examples that shows how God granted the request of men (e.g, 2 Samuel 2:1, And it came to pass after this, that David enquired of the LORD, saying, Shall I go up into any of the cities of Judah? And the LORD said unto him, Go up. And David said, Whither shall I go up? And he said, Unto Hebron).

James 1:5, says, But if any of you lacks wisdom, let him ask of God, who gives to all generously and without reproach, and it will be given to him).

However, some of the answers might not show up at all or would not show up when anticipated, expected or requested; this could be because;

(1) An individual might be praying the wrong prayers.
(2) There is a resistance preventing you from accessing it; of which perseverance and consistency is required (e.g Daniel 10:12-13).
(3) God wants an indivdulal to mature in specific areas in other to effectively manage what is given.
(4) The motive for the request is not alligned with God's plan for the individual, hence there will be no response from God with regards to the request.
