"You've got much more than you think. Be intentional about how you live your life refusing to settle for anything less than God's best for you. It's time to arise out of Doubts; Confront your fear and be a shining light to your generation" - G.A.

**LYDIA HAVE BEEN RELEASED... ACCEPT HER IN FAITH**

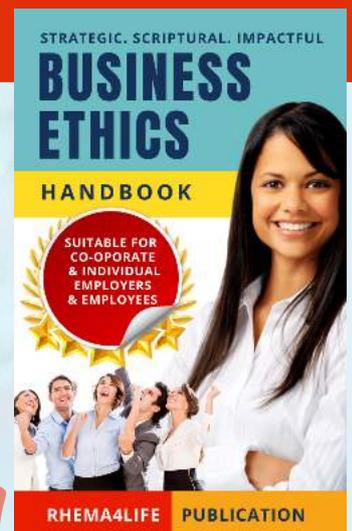

Acts 16:14-15 NIV, 'One of those listening was a woman from the city of Thyatira named LYDIA, a dealer in purple cloth. She was a worshiper of God. The Lord OPENED HER HEART to respond to Paul's message. When she and the members of her household were baptized, she invited us to her home. "If you consider me a believer in the Lord," she said, "COME AND STAY at my house." And she persuaded us".

**RHEMA FOR YOU**

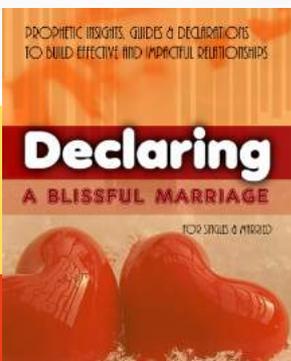

Lydia represents both provision and motivation for an assignment. God never release anyone into an assignment without making the necessary provisions available. Lydia was part of the provision God released for the Macedonian assignment, to offer shelter and assist the apostles settle down as they progress with their assignments in that territory. However Lydia can only be found in the right place and position of assignment, because her job description is centred on your assignment in that location. Majority of people have not been able to meet with the Lydia God assigned to them because; their location is wrong, they are off track with their assignment (e.g, in the wrong job hence offering nothing that can connect them with her), they resist her benevolence due to scars of past experiences etc. It is important to discern in this season the support that God is releasing for your assignment, so that you do not fight it, when it comes.

FOR PRAYER & INTERCESSION

*Prayer & Prophetic Guide for a New Season.*

"The wrong perceptions and position in your prayer altar can clog or alter the answers to your prayers. Pray right in order to receive the right response" - GA

(1) 2 Chronicles 20:22, And they began to Sing and Praise, "the Lord set ambush.....(God never reacted until they engaged the weapon of Praise). This season our pure Gratitude, Thanksgiving & Praise are useful weapons that will create tremendous results, provoke divine intervention and put God to work faster than the attitude of complains.

(2) 2 Chronicles 20:30, So the realm of Jehoshaphat was quiet; for his God gave him rest round about. (This shall be a Season of rest for many people who understand the use of the weapon of Thanksgiving, Praise & Gratitude).

(3) God in this season will instill the fear of his people in the hearts of many, because of the wonders he will do on their behalf.

(4) Wrong collaborations that will not be fruitful in your prophetic walk with God NOW, will come to an end. Don't be disappointed when people walk away. It is all for your benefit.

(5) This shall be a year of great Repentance, and Reconciliation. Many, who despise you, plotted against

you, conspired and lied against you like Joseph's brother's will genuinely seek for peace. Don't panic when people you least expect come to make peace with you. Gen. 50:18-20.

(6) Like Cornelius a great reward awaits those whose generosity and kindness have come before God as a memorial. This season both good and bad deeds will be rewarded.

(7) This is a decade of tremendous soul winning. Where the most unlikely people who once fought the church will be at the forefront of global evangelism.

(8) Many will receive a fresh momentum and impartation for soul winning. Don't fight the urge if you feel the desire for soul winning; only ask Him for the right timing, the right people and the right location; and God will back you as you step out.

(9) This season the mantle of Faith, and the weapon of Praise when combined will bring Territorial, Regional, & National Shifts and Breakthroughs. Heb.11:6.

## New Wineskins! Get Your Inter-Net Ready

Patricia King is a respected apostolic minister of the Gospel, successful business owner, and an inventive entrepreneur. She is an accomplished itinerant speaker, author, television host, media producer, and ministry network overseer who has given her life fully to Jesus Christ and to His Kingdom's advancement in the earth. She is the founder of XP Ministries and co-founder of XPmedia.com.

A wineskin is a structure or container that holds fresh wine. There is nothing wrong with an old wineskin or old wine (old wine has been rid of the impurities), but an old wineskin will burst if new wine is put into it.

Jesus taught in Mark 2:22 NASB: "No one puts new wine into old wineskins; otherwise the wine will burst the skins, and the wine is lost and the skins as well; but one puts new wine into fresh wineskins."

There will be many "new wineskins" the Lord will offer His Church in this hour. Through every means we will win some souls! Our minds need to be open to every new way God introduces. One model will not be the only way to bring in the great ingathering of souls, it will take all Spirit-inspired wineskins. It is important to keep your heart open to new ways the Lord will use to build His Church and to bring souls into His Kingdom.

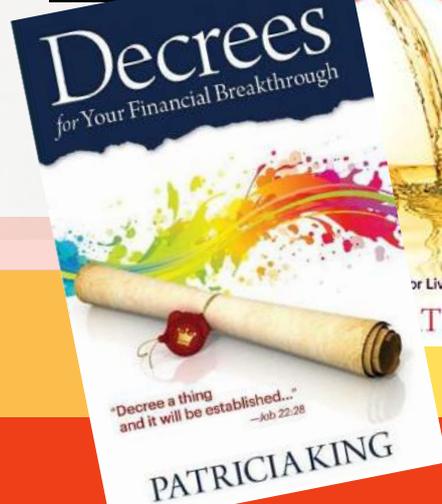

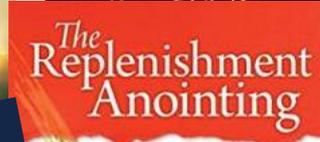

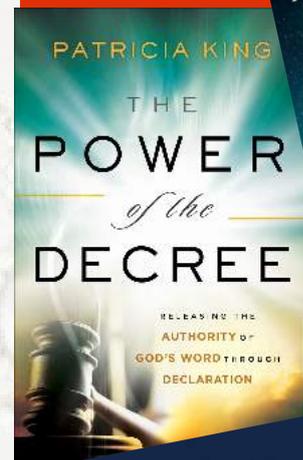

One of the great tools and containers God will use in evangelism and discipleship will be a powerful "net" for a powerful "catch": the inter-net and especially social media. A new wineskin is being built to platform cyber-evangelism and discipleship.

*You're in the Perfect Position for a Miracle*

God created you for a purpose, and He has a plan for your life that only you can fulfill.

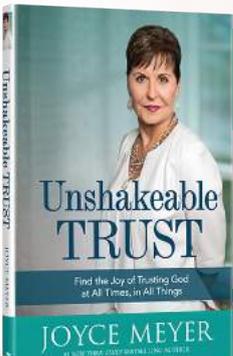

If God has given you a dream for your life, one of the greatest things you can do is keep believing that it can come to pass, regardless of what your circumstances may look like right now. Life can be difficult, and that is why you need the power of the Holy Spirit to help you. The Bible says He is able ...to do immeasurably more than all we ask or imagine, according to his power that is at work within us (Ephesians 3:20 NIV). When you feel weak, the Holy Spirit will give you the grace and strength to get up and move forward. He will lead you one step at a time into the good life God has planned for you. Your part is to take those steps and never give up. Remember, failure does not mean there are no more options. When all else fails, you can start again, try again and dream again. Then choose to focus on the good things God is doing in you and celebrate those victories all along the way.

**NUGGETS FOR EMPLOYEE (4)**

Do not form the habit of bottling up emotions or harbouring grievances against each other as a team. Forgive even when the others don't see any wrong in what they are doing, apologise where necessary and communicate your concerns clearly and appropriately. This will minimize gossip; and curtail the confusion that could arise due to bottled up emotions.

**NUGGETS FOR EMPLOYER**

Do not form the habit of entertaining gossips or showing favoritism among staffs. If any issue arises avoid taking sides, but address it as it should be; else team members would harbour grievances against each other; which can affect job delivery and the company's reputation..

SPECIAL RHEMA FOR WORSHIP & PRAISE

## You were Created for Worship ...

Are you ready to unleash the power of Praise? John 4:24, God is spirit, and his worshipers must worship in the Spirit and in truth."

### YOU HAVE THE 'PASSWORD' USE IT THIS YEAR

A kannanite woman heard of the amazing testaments of Jesus love, compassion and power. Came to Jesus and worshipped him, saying? Lord help me. She sought for mercy and healing of her daughter who was possessed by the devil. But Jesus initially did not answer because to the Jews, she was unqualified. But in Matthew 15:25, She did something spectacular. Though she physically was not qualified, she didn't despair rather connected her spirit to the Power of worship, exhortation, praise and thanksgiving. And that was the password that gave her the answer. This same password is still potent. Worship unlocks doors. No matter what you are going through. Release your worship for your expectation and watch God release guaranteed answers.

**CAN APPLE CIDER VINEGAR GET RID OF OVARIAN CYSTS?**

Ovarian cysts are fluid-filled sacs or pockets that can develop within the surface of an ovary. While most ovarian cysts occur normally during the menstrual cycle, pathological cysts can be cancerous. Many a time, ovarian cysts disappear on their own. However, if they cause discomfort, here are natural ways that can help relieve symptoms and shrink their size. Do consult your doctor before trying these out.

Apple cider vinegar has been proved in some studies to help contract and disperse ovarian cysts caused by potassium deficiency. If you mix one tablespoon each of apple cider vinegar and black strap molasses in a glass of warm water. Drink two glasses daily for better results. ## RHEMA FOR MARRIED & SINGLES

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage

### Part 2 - Understanding the Signs and Negative Effects of Bottled-up Emotions. *(continuation from last week)*

#### 6. BOTTLED-UP EMOTIONS CAUSE WEIGHT GAIN

Many people who stuff their emotions down inside also stuff comfort food. Food triggers our pleasure and reward center in our brain so we do feel better. This can create a roller coaster cycle of feeling bad, eating to feel better, and then feeling bad for allowing yourself to binge.

#### 7. BOTTLED-UP EMOTIONS CAUSE DIGESTIVE PROBLEMS

From upset stomach and ulcers to acid reflux and constipation; there are many digestive problems caused by suppressed emotions. Suppressing emotions is very similar to how your body reacts to stress.

#### 8. BOTTLED-UP EMOTIONS CAUSE TEMPORAL LOBE NOT TO DO ITS JOB

The part of your brain that is in the forehead part of your head is your temporal lobe. It is responsible for stabilizing mood and since you are telling it to not pay attention to the negative emotions, it can't work the way it is supposed to. Rather than suppressing emotions and causing all of these problems for your body, try what don Miguel Ruiz, author of The Four Agreements says. 'Don't take anything personally.' When you choose not to take anything personally, we hear someone's words that we judge to be hurtful and we choose not to accept their judgment of ourselves because we know that we are worth more. Speaking politely in the moment while thinking to yourself that you won't take the words personally is a way to be socially proper while choosing to not feel angry. Mr. Ruiz says 'Whatever happens around you, don't take it personally' Nothing other people do is because of you. It is because of themselves.'

#### 9. BOTTLED-UP EMOTIONS CAUSE FACIAL WRINKLES

Concern, frustration, anger, anxiety, they all wrinkle your face when you show these emotions, but suppressing emotions causes wrinkling too. The reason? Your face is trying to conceal your natural facial expression in response to something or someone.

#### 10. BOTTLED-UP EMOTIONS CAUSE TEETH SHIFT POSITIONS

Teeth grinding is one of the most frequent strategies that people use when they are trying to suppress their emotions. We think of someone who trying not to show the emotions of anger and frustration grinding their teeth. Teeth grinding weakens the protective enamel coating on your teeth. Teeth grinding from suppressed emotions also causes the teeth in your mouth to shift positions and become deformed.

# NEWS ALERT

ON TESTIMONIES FROM AROUND THE WORLD

This week on Rhema4life News Alert, we want to shout out Loud on Testimonies of God's manifested power from around the world. Stay motivated, Be inspired and Don't give up hope regardless of your circumstances, There is a set time for a visitation, and yours is NOW.

Hi, welcome to Rhema4life News Alert. This week I found this inspiring testimony from the Bible that caught my attention and I decided to share it in other to motivate anyone in such position to trust God regardless of their situation.

"When Jesus had said this, He spat on the ground, made some mud, and applied it to the man's eyes. Then He told him, "Go, wash in the pool of Siloam" (which means Sent). So the man went and washed, and came back seeing. At this, his neighbors and those who had formerly seen him begging began to ask, "Isn't this the man who used to sit and beg?" John 9:6-8

Do the people around you identify you with your situation? If this looks like your story or that of someone close to you? My assurance for you is that Jesus lives and his power is unending. The fact that he did this yesterday, is an assurance that there is hope. My charge to you is not to give up, rather exercise Faith and watch what seem like a hopeless situation turn around in your favour.

# RHEMA FOR YOUTHS & TEENS

Let us help you deal with the most challenging questions you face as a young adult

## How can a young adult/teen differentiate between Love and Infatuation?

Infatuation has been defined as “the emotional impulse of love, untested by time or circumstance.” Since infatuation can lead to real love, sometimes it is difficult to see the difference.

The difference between infatuation and love is that infatuation is a short-lived passion for someone whereas love is a deep affection for someone that lasts the test of time. The problem is that infatuation is a powerful feeling that can make you think you are in love. The characteristics in the chart below show the differences between infatuation and real love.

### JESUS WALKS ON WATER

Matthew 14:25-31, Shortly before dawn Jesus went out to them, walking on the lake. 26 When the disciples saw him walking on the lake, they were terrified. "It's a ghost," they said, and cried out in fear. 27 But Jesus immediately said to them: "Take courage! It is I. Don't be afraid." 28 "Lord, if it's you," Peter replied, "tell me to come to you on the water." 29 "Come," he said. Then Peter got down out of the boat, walked on the water and came toward Jesus. 30 But when he saw the wind, he was afraid and, beginning to sink, cried out, "Lord, save me!" 31 Immediately Jesus reached out his hand and caught him. "You of little faith," he said, "why did you doubt?"

### QUESTIONS?

1. Who did Jesus ask to walk on water with him?
2. Why did Peter begin to sink?
3. Did Peter walk on the water by his own power?
4. Does God ask us to do things without giving us the means to do them?
5. Who should we trust in to accomplish our work here on earth?
