Have you struggled with harmful habits that are hurting your faith and testimony? We've all been there at one time or another. Be assured that God offers love, forgiveness, and restoration. And can help you find renewed joy, peace, hope, and love today.

Jesus says these kind words to you, "My blood was shed for your present, past and future mistakes. I was wounded for your transgressions, I was bruised for your iniquities: the chastisement of your peace was upon me; and with my stripes your physical, spiritual, emotional and psychological healing was confirmed".

**Behold, I stand at the door of your HEART and knock. If YOU hear My voice and open the door, I will come in and dine with YOU. (Rev 3:20)**

**IF YOUR RESPONSE TO THE INVITATION IS YES**

*Say this Prayer Now*

Lord Jesus, I accept your invitation today. I am sorry for all my wrongs and repent of my ignorance. Please forgive me and help me become a better person committed to you all the days of my life, I accept Your death as the penalty for my sin, and recognize that Your mercy and grace is a gift you offered to me because of your great love for me, Today, I receive you into my heart as the Son of God and as Savior and Lord of my life. Henceforth take control of my life and help me to live for you, Amen.

**RHEMA FOR YOU**

Hannah was a woman with a situation that fought to interfere with her faith, but she shielded her faith in God's promises and refused to give in to the provocative tactics of the adversary (1 Samuel 1:6). She deliberately refused to waiver in faith or faint as many in her position could have done. But maintained her relationship and fellowship with God even after being misunderstood by the priest. But her vows and unwavering commitment to God's unfailing love earned her the expectation she desired and CHANGED HER COUNTENANCE forever.

Are there things going on in your life right now that makes you feel like Hannah or worse than she did? Be reminded that the SHUTTING-UP of Hanna's womb was not a permanent SHUT-DOWN of her ability to conceive, it was a test for COMMITMENT. God in this season is seeking out faithfulness and commitment from the wombs that will bear Major Generational; Prophetic Voices, Ministeries, Businesses, Inventions, Discoveries, etc. Therefore my charge to you is not to be discouraged, rather stay committed because, 'In the next few weeks the breath of God (the Holy Spirit) will sweep through..., causing the rhythm to change in your favour, and you shall see long-awaited Prophecies swiftly coming to pass and doors opening supernaturally, just as God had ordained it to be.

 SPECIAL APOSTOLIC & PROPHETIC INSIGHT

**I heard the Lord say:"**

The global attack of the coronavirus is against the global outpouring that is coming to the earth. Many of the prophets have been releasing prophetic words about a coming global move of God—revival. This is a direct attack against revival. Be rest assured that ["...When the enemy comes in like a flood, the Spirit of the Lord will lift up a standard against him." (Isaiah 59:19 NKJV)]

**Doug Addison**

InLight Connection

 Website: [www.DougAddison.com](http://www.DougAddison.com)

We have been under attack globally with the coronavirus. I have been waiting on the Lord and praying daily over this. On February 25, the Lord showed me the root of the attack and a prayer strategy to break it.

**Understanding 3-Cord Attacks**

"Though one, may be overpowered, two can defend themselves. A cord of three strands is not quickly broken." (Ecclesiastes 4:12 NIV). There is power when we agree together in prayer! Jesus said that if you agree together, it will be done. This is a biblical principle that satan is using against us. He often uses things from the Bible and distorts or counterfeits it. We have been seeing 3-cord attacks of the enemy that have been more difficult to break—until you recognize them. Once you recognize the 3-cord attack, you can bind and break its combined attack. If you try to break the individual demons, they will not usually go because they have a 3-cord agreement that requires a new strategy. (Jesus said, "...whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven." (Matthew 18:18 NIV))

**3-Cord Attack Against Revival**

The coronavirus is a global attack against revival. The Lord showed me the source of the attack: ("Do not rejoice, all you Philistines, that the rod that struck you is broken; from the root of that SNAKE will spring up a VIPER, its fruit will be a darting, VENOMOUS SERPENT." (Isaiah 14:29 NIV)). This 3-cord global attack (of the coronavirus) is against the global outpouring the Lord is bringing and comprises of: (1) Snake: Deception• (2) Viper: Religious Spirit (Jesus called the Pharisees a brood of vipers)• (3) Venomous Serpent: Coronavirus

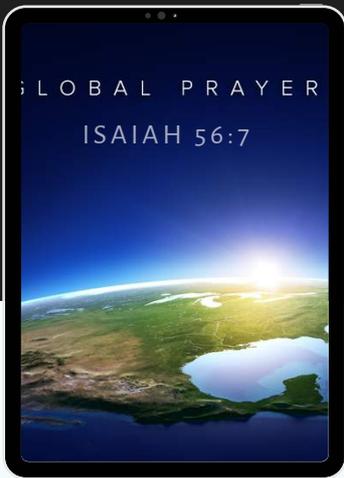

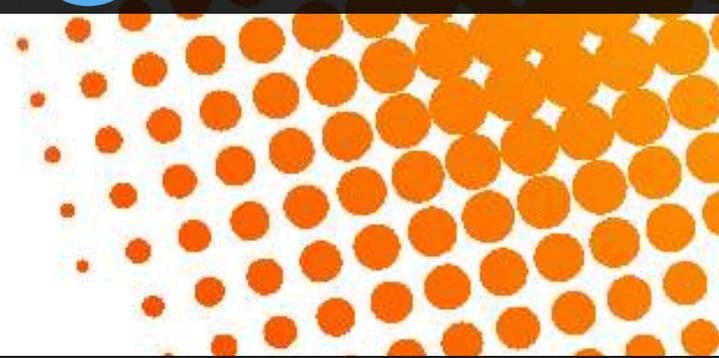

**How to break it**

Here is the prayer strategy the Lord showed me so you can pray this in agreement. Since it is a global attack, it would be good to get as many people praying this as we can;

WEEKLY RHEMA 4 LIFE RHEMA FOR PRAYER & INTERCESSION

Personal Prayer & Declaration

"The wrong perceptions and position in your prayer altar can clog or alter the answers to your prayers. Pray right in order to receive the right response" - GA

So shall they fear the Name of the Lord from the west, and His Glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him."ISAIAH 59:19"

WEEKLY DECLARATION

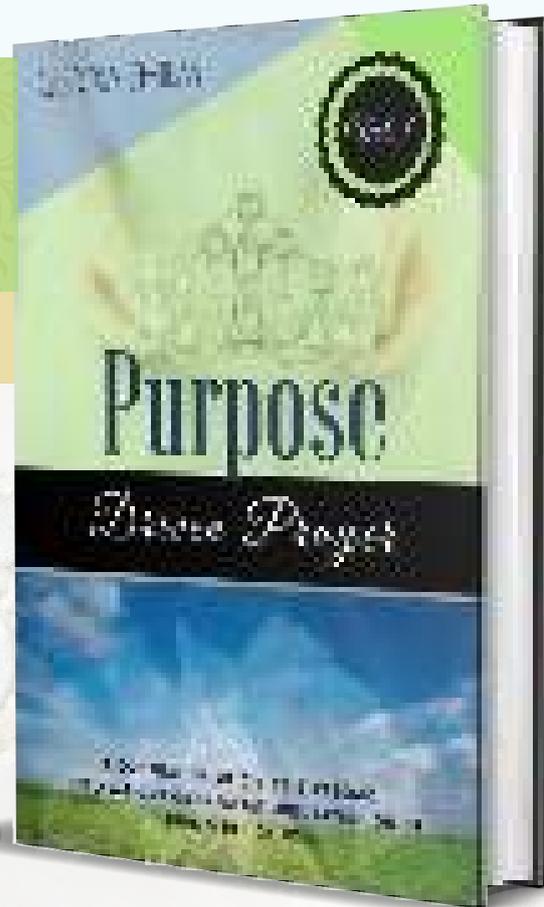

Lord, we bind the Snake of Deception, the Viper of the Religious Spirit and the Venomous Serpent of the Coronavirus. We break its global unholy alliance, the 3-cord attack to stop the global outpouring of revival.

Lord, we ask that You cast out the attack of the Snake of Deception, the Viper of the Religious Spirit and the Venomous Serpent of the Coronavirus. We ask that You release a stop of the global epidemic. We ask for healing of those affected. We proclaim full authority over this virus and any associated attacks of illness and death.

And just as in Isaiah 14:29—the rod that struck you is broken—satan has struck the earth with the rod of the coronavirus. We ask, Lord, that You would break the rod of this attack and bring the global outpouring and revival. We decree Psalm 91:7, "A thousand may fall at your side, ten thousand at your right hand, but it will not come near us."In Jesus' name.

The best way to respond is to not be in fear. Be wise and continue to pray and cry out to the Lord for His will to be done.

Prayer By Doug Addison a continuation of the prophesy on the previous page.

**DREAM SYMBOL - WEEK 10 - BUILDING**

A building is symbolic of the spiritual and emotional state of a place, person or church. The nature of a building often represents the current state of a person's life. To understand the meaning of such dreams many factors including Structure of the building, the appearance of the building, Location of the building, etc should be considered.

**Symbolic Actions**

A dream of seeing a building under construction indicates that the dreamer is undergoing a relevant transformation. A dream of seeing a newly completed and furnished building indicates maturity to handle responsibility in the church or in personal life. A fallen building is a call for prayer concerning health or emotional challenges that could affect the dreamer. A flooded building indicates a pending challenge is imminent (prayer is needed). Seeing buildings lived in the past or family home recurrently indicates, that something from the past is influencing the life of the dreamer.

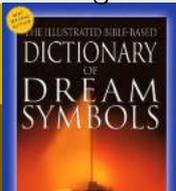

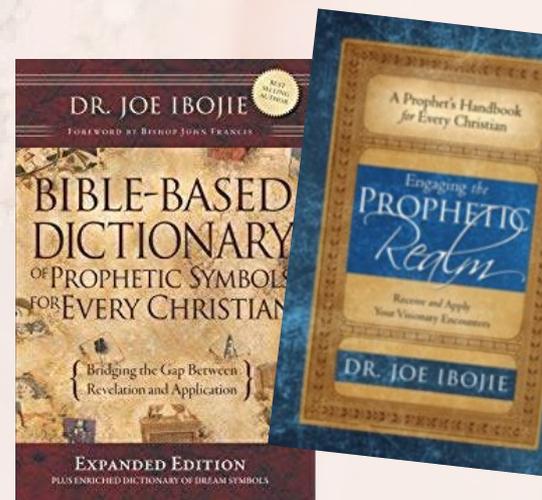

**Individual Actions**

Ever had any of these dreams? Depending on the content of the dream. It is important to pray for clarity and insights and directions in managing the affairs of your daily living and ask God to cancel anything contrary to the fulfillment of His promises for your life.

**The Dont's of Evangelism?**  
(What you must know when ministering to others)

- Don't attack directly or make fun of someone.
- Don't jump from one subject to another.
- Don't expect too much from the person you are speaking to.
- Don't have a spiritual chip on your shoulder.
- Don't lose patience or come on too strong.
- Don't debate peripheral issues or doctrines (it could lead to arguments).
- Don't get sidetracked defending your denomination (the gospel of Jesus should be your focus)
- Don't focus on talking about your church group.
- Don't assume or argue (listen attentively, in order to discern how to respond).
- Don't speak too fast or unclearly.

I hope these do's and don't's have brought to your attention areas that would improve your witnessing. If some of them have struck you as being particularly applicable then I would suggest you think them over and in prayer ask God to work on your heart and teach you the right way to witness. He will bless you. All you need is to trust Him and go witness.

### NUGGETS FOR EMPLOYEE (13)

Dear Employee (and Employer), the act of promoting or participating in bribery is a sin and a crime. It occurs when a person offers, gives or promises to give a "financial or other advantages" to another individual in exchange for "improperly" performing a "relevant function or activity".

(Job 15:34), For the congregation of hypocrites shall be desolate, and fire shall consume the tabernacles of bribery). As an employee or employer, it is important to understand that any act of Bribery is wrong, and you are expected not participate in such activities.

## You were Created for Worship ...

Are you ready to unleash the power of Praise? John 4:24, God is spirit, and his worshipers must worship in the Spirit and in truth."

### A NEW SONG AWAITS YOU...

What songs have life, people and circumstances made you sing? Today God has imparted in you the supernatural ability to sing a NEW SONG. Do not hold back on it, write down the lyrics, sing and dance because as He promised in His word Joy cometh in the morning.

Psalm 149 vs 1, Praise ye the Lord sing unto him the Lord a new song, and his praise in the congregation of saints.

One of the things I love to do is to sing a new song unto the Lord. Because just as every one of us loves and appreciate something new. The Lord loves to hear something new from us daily. Are you ready to release some sweet-smelling aroma to God as an expression of your love?

Trust me as you do, you shall see things turn around in your favor, doors opening in your favor. Like David, Moses and so many others. Today God will give you a new song of victory.

**TIPS TO PREVENT CORONA VIRUS - PART 1**

Since it is a virus, antibiotic can't treat it. Wearing a face mask only increases the risks of infection, so you don't need a face mask except you're working in the hospital.

Use natural antivirus remedies like Tea tree oil, coconut oil, neem Oil and lemon oil are recommended. (All these except coconut oil and Neem oil must be essential oils.

It's always good to boost your immune system, as a strong immune system will prevent the infection. Here are 6 essential ways to boost your immunity: (1) Reduce Stress (2) Sleep whenever you're tired (3) To support your immune system, you can eat immunity supporting foods like citrus fruits, garlic, broccoli, and spinach. If your immune system is already weak, it can also be helpful to supplement with key vitamins and minerals that may have become depleted like Vitamin C, Vitamin B, Vitamin D, and Zinc. (4) Reduce Inflammation because; Sugar, processed meat, vegetable oils, and alcohol tend to be inflammatory foods so they busy the immune system, leaving other problems in your body unaddressed. (5) Exercise can be one of the best things to do to boost immunity. But we must be careful because too much exercise is stressful on the body and can be tough on our immune system. So just keep the other tips in mind: Keep stress low, and if you're tired, then rest. (6) Stay away from toxins because of they are devastating for the immune system. Mycotoxins from mold are notorious for destroying the immune system. Also try to minimize exposure to chlorinated drinking water, pesticides, aromatic hydrocarbons (e.g., air fresheners), heavy metals, air pollution, and food additives.

## RHEMA FOR MARRIED & SINGLES

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage

### Some effective and positive ways to deal with your partner's nagging and complaints? - Part 3

PRESENTED BY RHEMA4MARRIED

#### 3. Really listen to what your partner's saying.

What's going to make a positive difference when dealing with your partner's criticisms is to NOT join in with the negativity. Soothe yourself so that you don't go along with your mate to a place of irritation, resentment, and anger. The calmer and clearer you are, the easier it will be for you to really listen to your mate. When you really listen to the need that's being expressed (and that may be hidden in nagging or criticism), you can speak to that need and not to the criticism. For example, your partner might seem to constantly nag you about helping out around the house and says things like, "It's up to me to keep this place clean because you never help..." You could really listen to his or her need for not only a cleaner house, but also help in keeping things picked up and tidy. Your response could be a question like, "In what specific ways would you like me to help keep the house clean?" Be willing to really listen to what your partner says. There might be some truth in the criticism that you don't do your share in keeping the house clean. Be responsible for your own habits and make sincere apologies when appropriate. This can also defuse a criticism and shift you both toward finding a resolution instead of keeping you stuck in conflict.

# RHEMA FOR YOUTHS & TEENS

Let us help you deal with the most challenging questions you face as a young adult

## Some of my friends and family members are not in good terms with me after I shared my dream?

(Based on a true life experience (identity of testifier hidden for privacy))

### Question:

When I was much younger, I had a dream where I was offering help to my 4 elder siblings and in response they bowed to me. I woke up frightened and told my parents about it who later passed the information to my siblings... Then anger and bitterness gradually set in, my friends joined with my siblings to rebuke me because of it. I became like an outcast with none of them wanting to have anything to do with me. Then our father died, and the family was struggling and I had to drop out of school for some time, to start a business in order to sustain my mum and siblings; and God prospered the business and it met our need as a family. Regardless of the fact that everything God showed happened, the bitterness lingers, what can I do? Because even though I assist them and show them love the hatred is not hidden in their reactions?

### Suggested Answers:

Your case is similar to that of Joseph in the bible, who was hated by his brethren because of the dream God gave him. Regardless of your attitudes, actions, and reactions to him because of his dream, what was meant for evil against him, God turned out for his good. Don't focus on them, because what you see in their action is a technique the enemy seek to use in opposing the established plan of God for your life.

### Suggested Precautionary measures:

In Genesis 37:12-36, it was recorded that... Joseph was sold by his brethren in order for him to be enslaved with an unfulfilled dream. But God used it as a means of creating a distance or space between them so that they would lose focus on him and his dream. (Where necessary it might be useful if you maintain your distance away from them). Don't stop assisting them in the areas where you can. Pray for them rebuking the root of their wicked character. Don't allow your situation to rob you of your vision or limit your expectations. Like Joseph, your gifts will surely make room for you with great men and those that hate you will submit to the grace of God at work in your life.

Miracles happen when we believe...

Matthew 14:16-20, But Jesus said to them, "They do not need to go away. You give them something to eat." And they said to Him, "We have here only five loaves and two fish." He said, "Bring them here to Me." Then He commanded the multitudes to sit down on the grass. And He took the five loaves and the two fish, and looking up to heaven, He blessed and broke and gave the loaves to the disciples; and the disciples gave to the multitudes. So they all ate and were filled, and they took up twelve baskets full of the fragments that remained. Now those who had eaten were about five thousand men, besides women and children.

Dear Heavenly Father, thank You for my Mom. She helps me grow into the person You made me to be. Even though I don't always listen, I love her everyday... all of the time. Just like You love us. She loves me even when I have good days, and when I'm bad. Help me to be obedient, even when she tells me to do something I don't want to do. Thank You for my mom. Bless her to know how much I love her. In Jesus' Name, Amen.

**A Prayer for My Dad**

Dear Heavenly Father, thank You for my Dad. He guides me in life by his example and his helping hand. He teaches me how to do things and helps me with my homework.
