Have you struggled with harmful habits that are hurting your faith and testimony? We've all been there at one time or another. Be assured that God offers love, forgiveness, and restoration. And can help you find renewed joy, peace, hope, and love today.

Jesus says these kind words to you, "My blood was shed for your present, past and future mistakes. I was wounded for your transgressions, I was bruised for your iniquities: the chastisement of your peace was upon me; and with my stripes your physical, spiritual, emotional and psychological healing was confirmed".

**Behold, I stand at the door of your HEART and knock. If YOU hear My voice and open the door, I will come in and dine with YOU. (Rev 3:20)**

**IF YOUR RESPONSE TO THE INVITATION IS YES**

*Say this Prayer Now*

Lord Jesus, I accept your invitation today. I am sorry for all my wrongs and repent of my ignorance. Please forgive me and help me become a better person committed to you all the days of my life, I accept Your death as the penalty for my sin, and recognize that Your mercy and grace is a gift you offered to me because of your great love for me, Today, I receive you into my heart as the Son of God and as Savior and Lord of my life. Henceforth take control of my life and help me to live for you, Amen.

"You've got much more than you think. Be intentional about how you live your life refusing to settle for anything less than God's best for you. It's time to arise out of Doubts; Confront your fear and be a shining light to your generation" - G.A.

**GOD CAN NEVER FORGET HIS COVENANT...**

Because He is not a man, that he should lie; neither the son of man, that he should repent:

13 Now Jeroboam had sent troops around to the rear, so that while he was in front of Judah the ambush was behind them. 14 Judah turned and saw that they were being attacked at both front and rear. Then they cried out to the Lord. The priests blew their trumpets 15 and the men of Judah raised the battle cry. At the sound of their battle cry, God routed Jeroboam and all Israel before Abijah and Judah. 16 The Israelites fled before Judah, and God delivered them into their hands. 17 Abijah and his troops inflicted heavy losses on them, so that there were five hundred thousand casualties among Israel's able men. 18 The Israelites were subdued on that occasion, and the people of Judah were victorious because they relied on the Lord, the God of their ancestors (2 Chronicles 13:13-18).

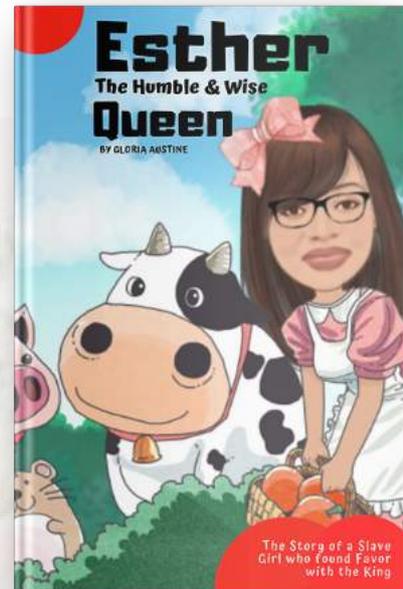

**P. Gloria Austine E.**

Mountain of the Lord & Rhema4life Magazine, UK

**RHEMA FOR YOU**

When King Abijah of Judah was confronted by the descendants of the traitor Nebat the servant of Solomon who sabotaged part of his kingdom, he reminded him of God's covenanted promise about the descendants of David; he also reminded him of his unwavering commitment to God. And God who sustains His Covenant did not fail Judah, rather in the midst of the ambush of eight hundred thousand men against their four hundred thousand men, who were right in front and behind them, they; (1) cried out to the Lord and (2) the priests sounded the trumpets (3) Then the men of Judah shouted in a loud voice in exaltation to the Lord...Then, God responded and smote Jeroboam and all his men.

This is not the season to be silenced by the fear of the size of the adversaries; Rather, this is the time to understand that in the midst of the fierce schemes of the wicked; God has orchestrated a master plan to frustrate and terminate the strategies of the wicked. All He needs you to do is to step out in boldness crying out to Him, releasing your praise with the sounds of victory in the name above all names - Jesus. And as you do, you will see the power of God intercepting longstanding battles.

 SPECIAL APOSTOLIC & PROPHETIC INSIGHT

**The Spirit of the Lord Say's**

"I'm here with you and I am going to help you do all I am asking you to do. I am going to give you the grace to accomplish all that I ask you to do. I am going to give you the empowerment and grace to align. Just be willing. Just say YES. Say YES and I will do the rest."

**A TIME FOR RESET AND REALIGNMENT!**

There is so much grace and help from the Lord for you in this time of reset and realignment! As we can see right now, we are in a time of reset, where the Lord is inviting His people to come into alignment with Him, and the new wineskin, to prepare us for what God is about to do in the earth. As the Church, in this SELAH moment that is upon us, the Lord is restructuring things; He is redirecting our steps, bringing us into alignment with Him and His ways and the new thing He is doing. The way we engage with the Lord and move into alignment is by having eyes to see, ears to hear, a tender heart, and laying ourselves down in humility before Him. There is a MAJOR shift that is taking place in the Body of Christ and in the earth right now. Things are not going to remain the same as we come out of this SELAH moment. The Lord, out of His extravagant love, is drawing His people back into the garden to embrace the refining fire of the Lord, the shaking of God, so that we can move with Him into new things that we have never seen before. It is such a beautiful invitation to lay down ourselves and lay down our expectations of how we "think" it should look. It is an invitation to let go of our control, fall into the arms of our beautiful Jesus, and allow the Holy Spirit to have the reigns; allowing the Holy Spirit to mold, craft, and shape the next steps for us, and the move of God in and through our lives, in the way that He desires.

This is a time of rapid and very, very deep deliverance. Those who yield are shifting into the greatest positioning of their destinies in the Lord, and will receive significant promotion.

**You Are Not Alone**

Lift up your eyes, for where does your help come from? The Maker of Heaven and Earth (Psalm 121:1-2). He's with you. He loves you, and you have ALL you need as you surrender afresh in His grace and move into all He has for you. "I can do all things through Christ who strengthens me." (Philippians 4:13 NKJV) As everything changes, rest, relax and go with His flow in this moment of MAJOR birthing and repositioning for the new wine that's flowing. He's helping you and leading you in every step. Just say YES!

**"The wrong perceptions and position in your prayer altar can clog or alter the answers to your prayers. Pray right in order to receive the right response" - GA**

**WEEKLY DECLARATION**

At the Beginning of year 2020, God gave me these NEW YEAR RHEMA & MOTIVATION. This morning, He took me back there, and I realized that even though He did not mention covid-19 to me. He emphasized on the key things that are necessary to sail through what is going on around the world....

- (1) 2 Chronicles 20:22, And they began to Sing and Praise, "the Lord set ambush....(God never reacted until they engaged the weapon of Praise). This season our pure Gratitude, Thanksgiving & Praise are useful weapons that will create tremendous results, provoke divine intervention and put God to work faster than the attitude of complains.
  - (2) 2 Chronicles 20:30, So the realm of Jehoshaphat was quiet; for his God gave him rest round about. (This shall be a Season of rest for many people who understand the use of the weapon of Thanksgiving, Praise & Gratitude).
  - (3) God in this season will instill the fear of his people in the hearts of many, because of the wonders he will do on their behalf.
  - (4) Wrong collaborations that will not be fruitful in your prophetic walk with God NOW, will come to an end. Don't be disappointed when people walk away. It is all for your benefit.
  - (5) This shall be a year of great Repentance, and Reconciliation. Many, who despise you, plotted against you, conspired and lied against you like Joseph's brother's will genuinely seek for peace. Don't panic when people you least expect come to make peace with you. Gen. 50:18-20.
  - (6) Like Cornelius a great reward awaits those whose generosity and kindness have come before God as a memorial. This season both good and bad deeds will be rewarded.
  - (7) This is a decade of tremendous soul winning. Where the most unlikely people who once fought the church will be at the forefront of global evangelism.
  - (8) Many will receive a fresh momentum and impartation for soul winning. Don't fight the urge if you feel the desire for soul winning; only ask Him for the right timing, the right people and the right location; and God will back you as you step out.
  - (9) This season the mantle of Faith, and the weapon of Praise when combined will bring Territorial, Regional, & National Shifts and Breakthroughs. Heb.11:6.
- It is my sincere desire and prayer that this year brings out the best in you. As you continue in fellowship with the Holy Spirit.

**DREAM SYMBOL - WEEK 14 - CAKE**

A piece of cake is symbolic of provision or nourishment from God. They gave him part of a fig cake and two bunches of raisins. After he had eaten, he revived (1 Samuel 30:12).

**Symbolic Actions**

A dream with the cake being baked symbolizes the inception of joy and celebration. A birthday cake indicated the forthcoming of a major celebration. A wedding cake symbolizes joy from a fruitful relationship with Jesus Christ. Running out of ingredients when baking a cake indicates inadequate preparation. Giving away cakes indicates a season where God will use the dreamer to bring joy and celebration in the lives of others. A dream where you are prevented from accessing cakes or losing cake indicates resistance (it is a call for prayer).

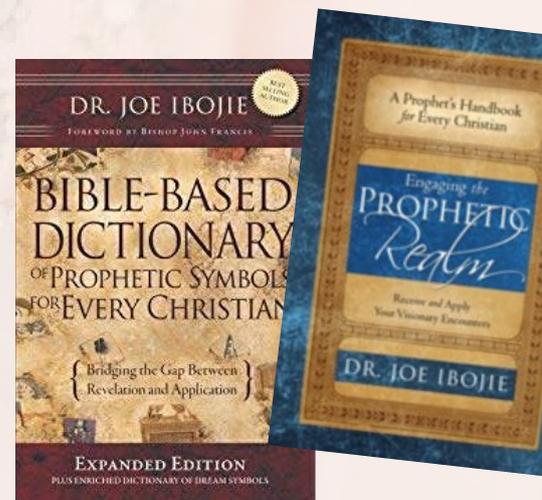

**Individual Actions**

Ever had any of these dreams? Depending on the content of the dream. Pray and ask God to reveal and subdue the source of resistance to your joy, also ask God to empower you to bring joy into the lives of those around you.

SPECIAL RHEMA FOR WORSHIP & PRAISE

*You were Created for Worship ...*

Are you ready to unleash the power of Praise? John 4:24, God is spirit, and his worshipers must worship in the Spirit and in truth."

## YOU WILL NEED THE PASSWORD!

From the creation of the World God has always wanted us to stay in His Presence. This is the best place anyone can find himself. But you have to enter in a certain manner. Psalm 100:4 reminds us to enter with thanksgiving and Praise. This is the Password. It is very sure and potent. It is the gate pass as you come in. You have to do it cheerfully, joyfully with gladness. Regardless of any situation that surrounds you, you ought to get it right if not the door will not be opened to you. This season, I want you to be committed to seeing the things you can access in His presence, 1 Chronicle 16:27, tell us that Glory and honour are in His presence, strength and gladness are in his place. The glory and honor you seek; the victory, the favor, the protection are all benefits of his presence.

**3. Rethink your pillows**

Think about it: If you sleep on your stomach, you are literally breathing your pillow for 7 hours a night. It's a good idea to wash pillows at least twice per year. But good news: You can probably wash your pillows in the washing machine. Also check to see what your pillow is stuffed with. Are there any known allergens sitting under your nose? You can consider a natural, hypoallergenic filling like wool, or memory foam. Or invest in hypoallergenic pillow covers: they keep the bad stuff—dust mite feces and other grossness—in your pillow and out of your nose. (But remember, they need to be washed regularly too.)

## RHEMA FOR MARRIED & SINGLES

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage

### Five red flags you shouldn't ignore in Marriage...

In every relationship that's troubled, there's a point of no return that, unfortunately, can only be seen in hindsight. Following are some completely anecdotal tips drawn from experience of others;

#### 1. When you or your partner evade each other.

This can be either literal or metaphorical — such as making sure you're never in a position to have a private conversation, pulling out a cell phone, remembering an errand you have to run when your partner wants to talk, or changing your schedule so there's little time face-to-face. You or your partner may rationalize this as “turning down the heat” or “keeping the peace,” but if you actually hope to salvage the relationship, you need to cut it out.

## RHEMA FOR YOUTHS & TEENS

Let us help you deal with the most challenging questions you face as a young adult

### My Fiancee Wants to Make Sure We are Sexually Compatible Before We Get Married. Is that Legitimate?

1 Corinthians 6:17-18, But he who unites himself with the Lord is one with Him in spirit. 18 Flee from sexual immorality. Every other sin a man can commit is outside his body, but he who sins sexually sins against his own body. 19 Do you not know that your body is a temple of the Holy Spirit who is in you, whom you have received from God?

It is understandable that you don't buy a brand new pair of shoes without first trying them on. So then it makes sense to make sure you are sexually compatible before you are married, right? But on the other hand, your test for compatibility is an abominable act against God. Would you rather sin against God, than trust Him enough to keep his word and abstaining from premarital sex? It pays to obey God, because of the benefits of obedience and more than any false satisfaction obtainable through disobedience.

## The Five Finger Prayer for Children

 Thumb (people who are close to you) These are your close friends and family, often the first you think about when you pray. Give thanks to God and ask his protection on your parents, siblings, friends, and classmates.

 Pointer Finger (Praying for those who point the way and lead us) These are leaders in your life, such as teachers, preachers or elders. Those who lead the church or lead in your family. Offer God your thanksgiving for them and ask him to help them in their important work.

 Tall Finger (Praying for people in authority) This is our tallest finger. The big people in the world need prayer too. Ask God to give wisdom to our government, military, and police.

 Ring Finger (Praying for people who are weak) This is our weakest finger so we do not use it to lift or carry things. People without strength or power need our prayers. We should remember others who are sick, live in poverty, or are treated badly. Pray that Jesus would give them new strength.

 Little Finger (Lastly, I will pray for myself) We help others and often put their needs before our own but God wants to hear about our needs too. I can pray for my own growth in mind, body, and spirit.

**This month challenges children to practise praying using their five fingers and send us short message about how their new prayer strategy has affected their lives.**

**The best answer gets £5 Amazon E-voucher. This challenge ends on the 30th, April 2020. Winners will be contacted 5 days later. Submit entries at [www.rhema4life.com](http://www.rhema4life.com)**

# HOMESCHOOL ADVICE

## Some tips for teaching your kids at home

### Plan the day with your child

Even if you're following a lesson plan, it's good to brainstorm with your child about their day ahead.

Give them options. Ask them what they feel about doing tasks in certain ways. Give them time to adjust to the schedule.

### Involve the family

Homeschooling involves integrating your child's educational schedule with your family's regular routine.

Have a chat with your family and know what their expectations are with the home school setup—and what is expected of them.

### Keep in touch with teachers

Ask the teacher if you have to strictly follow the curriculum given, or if you have the freedom to adjust the schedule.

Teachers can also give you tips on how to effectively facilitate your kids' learning. They can also get you in touch with other parents.

### Use free resources

The school will provide the lessons, but you can also make use of other resources like worksheets available online to support or expand it.

### Take breaks

It's a simple advice - and you can't underestimate the power of breaks.

Add it to your schedule and make it fun—or be spontaneous and flexible and take it when you can.

### Be flexible

Learning from can be difficult, new, and frustrating.

Facilitate your child's study schedule closely, but be flexible to change it up based on your child's learning tendencies and emotional state at the time.
