Jesus Christ

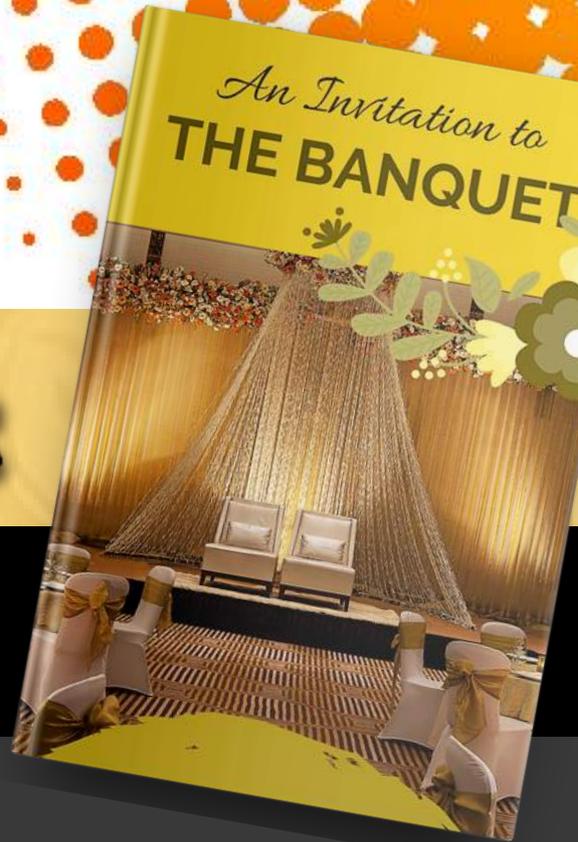

knocks at the door of your heart with an invitation to His ...

BANQUET

We want you to know that whatever you might have been through that is hurting your faith and testimony? We've all been there at one time or another. Be assured that God offers love, forgiveness, and restoration. And can help you find renewed joy, peace, hope, and love today.

Jesus says these kind words to you, "My blood was shed for your present, past and future mistakes. I was wounded for your transgressions, I was bruised for your iniquities: the chastisement of your peace was upon me; and with my stripes your physical, spiritual, emotional and psychological healing was confirmed".

Behold, I stand at the door of your HEART and knock. If YOU hear My voice and open the door, I will come in and dine with YOU. (Rev 3:20)

IF YOUR RESPONSE TO THE INVITATION IS YES

Say this Prayer Now

Lord Jesus, I accept your invitation today. I am sorry for all my wrongs and repent of my ignorance. Please forgive me and help me become a better person committed to you all the days of my life, I accept Your death as the penalty for my sin, and recognize that Your mercy and grace is a gift you offered to me because of your great love for me, Today, I receive you into my heart as the Son of God and as Savior and Lord of my life. Henceforth take control of my life and help me to live for you, Amen.

"You've got much more than you think. Be intentional about how you live your life refusing to settle for anything less than God's best for you. It's time to arise out of Doubts; Confront your fear and be a shining light to your generation" - G.A.

ARE YOU READY FOR A RIDE WITH JESUS?

God's Supernatural and Guaranteed Navigation System.

Luke 11:9-10 "So I say to you, ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks, receives; and he who seeks, finds; and to him who knocks, it will be opened.

RHEMA FOR YOU

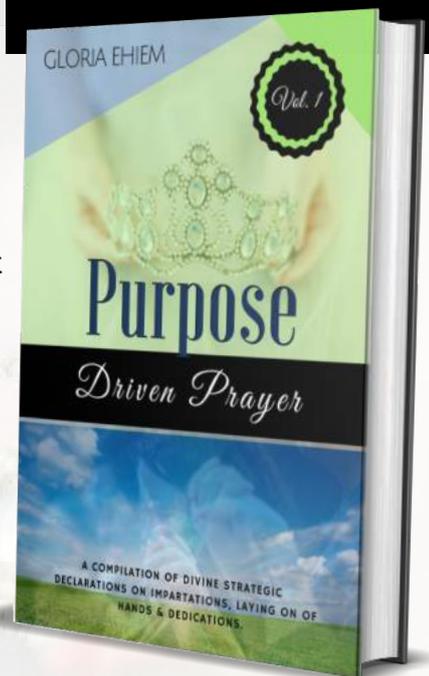

Are you stuck with the decision of what path to take in life, career, or marriage etc...? Does the journey of life seem uncertain? Jesus' response to you is (John 14:6 (NIV)), "I am the way and the truth and the life...He also says, "to him that knocketh the door shall be opened (Luke 11:9-10). If all you have done in the past seasons was to ride with your wisdom and intellect, knocking at the wrong doors.

It is time to knock at the right door for a guaranteed ride to your destination with God's Own Superior Navigation System. In God's Navigation System is God's Masterplan and guide to destiny fulfillment. What makes God's Navigation effective is that; He is God himself and operates through His Masterplan; He knows the safest path that can be profitable and productive. He ensures that the oil (fuel) and fire (momentum) needed for the journey is sufficient; there is no software upgrade required with Him because in Him is eternity personified (knowing the end from the beginning).

In the old Testament, He was the Spirit of Prophecy which guided God's people in line with God's plan (Rev. 19:9d). In the new Testament, He is JESUS CHRIST the Revelation and Manifestation of God's Grace. All you need to do is to ask Him for a ride... After asking, be willing to partner with Him through your faith (disregarding any form of tension or anxiety because these infiltrate your ability to stay-in faith during your journey).

"The way ahead is clear, and the appointed time is now to bring My goodness and My release of favor upon those who are anticipating and waiting not for what the enemy is doing, but what I am doing."

"Despair not," says God, "and neither be dismayed. The kings of the earth have held Me in derision, but I will laugh, and their thrones will be shaken as I raise My people out of the ashes of disappointment and cause them to ride on the high places of the earth. The ancient gates are now open," says God, "that the wealth of the nations might flow into My people.

"I call you an inheritor, and I call you not a repository of limited resources just to meet your own need, but a conduit of supply to the initiatives of the Kingdom. You will, from this day forward, find favor where you need to find favor. Doors will be opened to you that have been slammed shut for years. Investments on the verge of total collapse will suddenly produce a windfall beyond all expectations. Money will move by the Spirit in your life from this day forward.

"Step into Your New Day!" It is a day of recompense, vindication, and reconciliation. People who have slandered you and besmirched your testimony will come calling with repentance in their hearts. People who have passed you up and overlooked you will suddenly say, 'I must have you in my life...' Those who have whispered to separate you from your chief friends will be smitten before your face, and the betrayer will be exposed and relationships healed that were on the cusp of totally falling apart.

"This is your day," says the Father. "Press into what I have promised. Embrace the hope of a better day. Expect a new overflow of goodness and favor by My hand, for these are the days of manifest glory beyond what you have experienced in times past, as I use you and move in you and make of you an instrument of ministry purpose to fulfill all My promises toward you in a moment of time."

WHAT IS THE BLASPHEMY OF THE HOLY SPIRIT?

David Diga Hernandez Encounter TV Network

Matthew 12:30-32-30 “Anyone who isn’t with me opposes me, and anyone who isn’t working with me is actually working against me. 31 “So I tell you, every sin and blasphemy can be forgiven—except blasphemy against the Holy Spirit, which will never be forgiven”. 32 Anyone who speaks against the Son of Man can be forgiven, but anyone who speaks against the Holy Spirit will never be forgiven, either in this world or in the world to come. In fact, in verse 32, Jesus warns, “anyone who speaks against the Holy Spirit will never be forgiven.

Blasphemy is a sin that you commit by speaking something. So we know that the pharisees were being warned, because of the words they had spoken. Since blasphemy is a sin that you commit through sinful words, we can rule out sins that are commonly mistaken for the unpardonable sin. The blasphemy of the Holy Spirit is not suicide, murder, cussing, witchcraft, backsliding, evil thoughts, or sexual sin. It is a sin that you commit by what you say. Jesus after revealing the source of His power and authority (The Holy Spirit), He gave the pharisees a sobering warning:

Firstly, either the Pharisees had committed the blasphemy of the Holy Spirit or came very close to committing the blasphemy of the Holy Spirit. I suspect they came close to committing the unpardonable sin, otherwise, why would Jesus give them a direct warning? Secondly, look at the term that’s used here: blasphemy.....

SPECIAL RHEMA FOR WORSHIP & PRAISE

You were Created for Worship ...

Are you ready to unleash the power of Praise? John 4:24, God is spirit, and his worshipers must worship in the Spirit and in truth."

TAKE UP THE VOCATION OF PRAISE

Are you ready to take the Vocation of Praise? Praising God is a God-appointed calling. Indeed, God has formed for himself a people "that they may proclaim His praise" (Isa 43:21; cf. Jer 13:11). God's actions, such as Israel's restoration from the exile, are to result in God's "righteousness and praise springing up before all nations" (Isa 61:11). God has also predestined the church "to the praise of his glorious grace" (Eph 1:6; cf. Matt 5:16; Eph 1:14; Php 1:11; 1 Peter 2:9). And you are the church called in this generation to lift up the horn of praise.

Psalm 89:1, I will sing of the mercies of the Lord forever, with my mouth will I make known his faithfulness to all generations. Our God is a faithful and merciful God. His mercies are new and they never fail. This is an assurance we have from God. When I look into my life and all I have been through when I think of all he has done I have a reason to sing. So join me let us sing of his mercy and let's tell the world that He is faithful.

Scriptural Strategies to Promote Positive & Fair Working Environment that is beneficial to both Employers & Employees

Dear Employer,

Individuals with counterproductive work behaviour have a tendency to harm their organization. Such individuals not only speak ill of their organization but also abuse fellow workers and pass lewd comments. They are often involved in objectionable activities and doing unproductive tasks which spoil the entire work culture.

Individuals with counterproductive work behaviour are often indulged in thefts, leaking confidential information, data tampering and so on. Such individuals need to be dealt with patience. Where necessary employers can also encourage them to get rid of their negative traits, and where they fail to improve, show them the exit door immediately.

HOME REMEDY FOR INFLAMMATION OF THE KIDNEYS (NEPHRITIS)

NEPHRITIS:

Nephritis refers to the inflammation of the kidneys. It is a condition and may be either chronic or acute. This disease, most of strikes during childhood or adolescence. It can become progressively worse and result in death, if not treated properly in the initial stages.

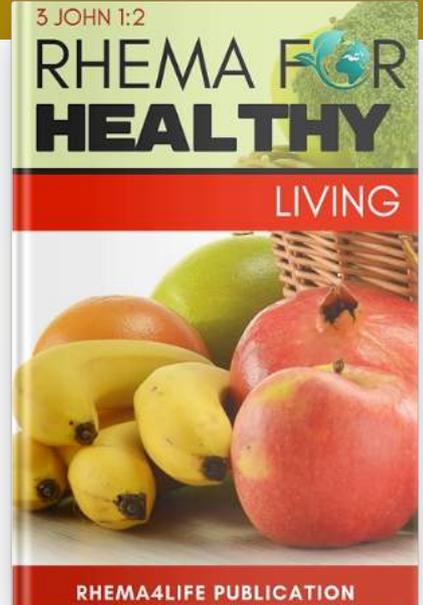

SYMPTOMS:

The main symptoms of acute nephritis are pain in the kidneys extending down to the ureters, fever, dull pain in the back and scanty and highly colored urine. Often the urine may contain blood, albumin and casts consisting of clumps of red and white cells which come from the damaged kidneys. The patient suffers from puffiness in the face and swelling of the feet and ankles.

RHEMA FOR MARRIED & SINGLES

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage

Five red flags you shouldn't ignore in Marriage - 3

(In every relationship that's troubled, there's a point of no return that, unfortunately, can only be seen in hindsight. Following are some completely anecdotal tips drawn from experience of others;)

4. When you or your partner display shifts in behavior.

If you or your partner have difficulty talking about your feelings directly or even identifying them is a trigger. Because the depth of someone's unhappiness is sometimes communicated non verbally through shifts in behaviors. If you are distracted most of the time and pretty much ignoring your spouse and focusing on personal goals that have nothing to do with your marriage it is a trigger. If your partner seems distant and preoccupied or both of you are avoiding physical contact. You both need to seek remedial action in order to sustain the relationship, the first as previously mentioned is communicating your needs to God in prayer and also communicating with each other, and where resolution is not obtained through communication, it is recommended to speak to a Christian marriage counselor.

RHEMA FOR YOUTHS & TEENS

Let us help you deal with the most challenging questions you face as a young adult

I'm Interested in a Guy, How Can I Let Him Know Without Making a Complete Fool of Myself?

First Peter 3:3, 4 says, "And let not your adornment be merely external—braiding the hair, and wearing gold jewelry, or putting on dresses; but let it be the hidden person of the heart, with the imperishable quality of a gentle and quiet spirit, which is precious in the sight of God." These verses give principles.

First, look your best. You want to emphasize your inward beauty, but don't neglect your outward beauty. If certain makeup or styles of clothing can enhance your beauty, take advantage of them without overdoing it or trying to be seductive. And be careful in your dressing to draw attention to your face, not your assets.

Second, reflect inner beauty. You can do this by acting out qualities such as being courteous, kind, thoughtful, appreciative, etc. Guys can respect someone they don't love, but they will never love anyone they don't respect. Lastly, understand that the best way to win his attention is by becoming his friend, that way you will get to know and understand each other better, in terms of compatibility.

NEW TO HOMESCHOOL

COORDINATE WITH TEACHERS

Follow the learning plans, but have a chat with the teacher to learn what is expected of them and of you. Build a workflow that works for your child and your family.

SET A SCHEDULE...

You may be following a lesson plan, but it's up to you and your child to set how you'll work with it. If you do have the flexibility, set up times for study and breaks at times that work with your child and family.

...BUT BE FLEXIBLE

Changes do happen. Even if you have lesson plans and study schedules, home school is a new scenario for many. Don't be too hard on yourself. Allow time to adjust.

LEAN IN TO YOUR CHILD'S NATURAL INTERESTS

If your child is really engaged and self-driven on certain topics, schedule these topics during times where you can take a mental break or focus on other work.

CONNECT WITH PARENTS

Mailing lists of group chats are helpful. You can chat with parents going through home school the first time, share stories, get tips. Times may be hard but you don't have to go through it alone.

The Five Finger Prayer for Children

Thumb (people who are close to you) These are your close friends and family, often the first you think about when you pray. Give thanks to God and ask his protection on your parents, siblings, friends, and classmates.

Pointer Finger (Praying for those who point the way and lead us) These are leaders in your life, such as teachers, preachers or elders. Those who lead the church or lead in your family. Offer God your thanksgiving for them and ask him to help them in their important work.

Tall Finger (Praying for people in authority) This is our tallest finger. The big people in the world need prayer too. Ask God to give wisdom to our government, military, and police.

Ring Finger (Praying for people who are weak) This is our weakest finger so we do not use it to lift or carry things. People without strength or power need our prayers. We should remember others who are sick, live in poverty, or are treated badly. Pray that Jesus would give them new strength.

Little Finger (Lastly, I will pray for myself) We help others and often put their needs before our own but God wants to hear about our needs too. I can pray for my own growth in mind, body, and spirit.
