"You've got much more than you think. Be intentional about how you live your life refusing to settle for anything less than God's best for you. It's time to arise out of Doubts; Confront your fear and be a shining light to your generation" - G.A.

MIRACLES DON'T SHOW UP IN THE POSITION OF INSECURITY BE WILLING TO BE REPOSITIONED

1 Kings 19:2,3, So Jezebel sent a messenger to Elijah, saying, "May the gods deal with me, and ever so severely, if by this time tomorrow I do not make your life like the lives of those you killed!" And Elijah was afraid and ran for his life.

P. Gloria Austine E.

Mountain of the Lord &
Rhma4life Magazine, UK

RHEMA FOR YOU

Elijah became afraid as a result of the threat of Jezebel and the best position he could consider as a result of fear was a cave. But after Elijah entered the cave and spent the night. The word of the LORD came to him, saying, "What are you doing here, Elijah? Because, that position represents insecurity, fear, intimidation, lack of faith, lack of courage and confidence. And all these are a misrepresentation of the personality of God.

Then the LORD said, "Go out and stand on the mountain before the LORD. Behold, the LORD is about to pass by (1 Kings 19:11). This is God's instruction to you whose life's situation has kept in the cave of fear and insecurity. It is your kairos moment to come out of the position that failed relationships, affliction, manipulation, infirmity, heartbreaks, lack, abuse, fear, accusations, and the enemy's threats have kept you. Like Abraham, this is your due season to lift up your eyes from the place where you are and look to the north and south and east and west. And in faith begin to lay hold unto the promises of God for you and your offspring forever.

5 TYPES OF OPPOSITION AND HOW TO RESPOND TO ATTAIN VICTORY

Nate Johnston

Everyday Revivalists

1

1. Opposition to the deeper reset/rest:

This is where the enemy wars against you entering the secret place, bombarding you with busyness, striving, pressure to get things done, and sudden, overwhelming distractions. The healing and heart clearing is so important right now, and for some of you, God is doing a complete makeover, cutting hidden ties, and removing wounds and trauma you didn't even know you were carrying.

2. Opposition of clarity to receive revelation/blueprints:

This is where the enemy sends chatter and words against you, where the atmosphere feels foggy and confusion tries to set in, and while God is always speaking, it feels like the pieces don't connect or they seem unclear. For many people, this is manifested in the battle of the mind coming against them right now, and the temptation to fall back into old mindsets, fears, and panic, but it has mainly been coming through people's words of mockery and judgment. The war against you to RECEIVE is happening because the delivery is vital right now.

3. Opposition on your voice:

In a time where the pure and clear prophetic has never been needed more, there has been an obvious assignment to shut down voices rising up. Often disguised as wisdom, safe-guarding, and protecting purity (which are all necessary), this impostor spirit wants to shut down the prophetic by causing division and fault-finding. It's a critical spirit which, instead of broadcasting hope, is broadcasting opinions and agendas. This causes true voices of hope to shut down and hide.

4. Opposition on what God is building in you:

This is where the enemy directly hits you in the very area God is really adding favor, anointing, conviction, and vision. He wants to sabotage it by making you second guess yourself, bringing in controlling people and measures to taint it, or causing delays and setbacks/closed doors in the places God has promised.

5. Opposition to your mantle and new mission/appointment:

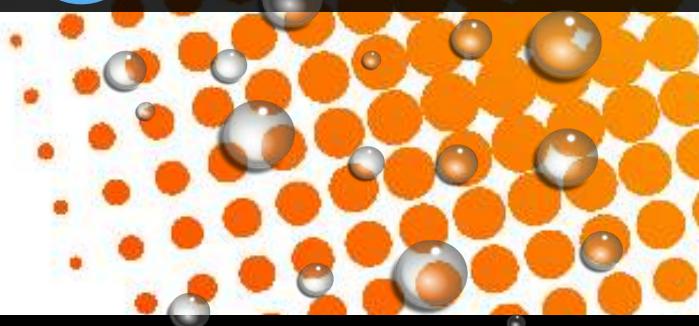

This is very much the same as the opposition against what God is building in you but, specifically, this opposition comes as a direct result of the noticeable increase you have stepped into, and the office/appointment you have before you. The enemy sees the new mantle, and your sudden fire and rising authority, and has been warring against the appointment with weariness and disappointment. This is where you need wisdom and discernment to know that you aren't taking on yokes, the wrong armor, or other people's stuff, but only taking on what God anoints and mantles you with.

5 TYPES OF OPPOSITION AND HOW TO RESPOND TO ATTAIN VICTORY

Nate Johnston

Everyday Revivalists

2

Why Am I Dealing with Opposition Right Now?

1. God is taking you from GLORY TO GLORY. Your story is changing. Your track history is changing.
2. God is LIFTING you out of a whole way of living that you've become way too used to. He is administering His healing balm, restoration, and justice from many years ago. It's the line in the sand so you can move FULLY into this season.
3. New blueprints and VISION are coming to you! You are in a new, unknown era and God is giving you clear GPS directions, coordinates, and mission details for you to steward and walk out.
4. Your once hidden, squashed, silenced, and timid voice is suddenly ROARING from within you and making its way to the surface. You have no agenda, no territory to selfishly protect, and no motives or self-promotion, and the earth needs the pure sound of your voice to cut through the noise.
5. God is BUILDING you, ESTABLISHING you, ANOINTING you afresh, and moving through you in a way you have not seen Him do!
6. You have been commissioned by God in the wilderness and now you are coming out of that season with a weighty governmental mantle and call to the nations to see them come to Jesus!

So How Do I Respond?

1. Take higher ground. PURSUE the secret place. FIGHT for it. It says in Hebrews 4:11, "Let us, therefore, make every effort to enter that rest..." It can be difficult in pressure but it's the only place you can get free/clear. Be armored up. Take communion regularly.
2. Rebuke the wind and waves. This is your offensive stance. Get out the Word and bind up what is coming at you. Clear the atmosphere. Tell the opposition to STOP in Jesus' name.
3. SHAKE IT OFF AND MOVE ON! In Acts 18:6 it says, "But when they opposed and insulted him, he shook out his garments and told them, 'Your blood be on your own heads! I am innocent of it. From now on I will go to the Gentiles.'" Don't let opposition stop you, hold you back, or slow you down.
4. Keep your vision before you regardless of what you see. Write down the vision, prophesy it, steward your promises, and guard them with your life. Look at what GOD is doing! We must keep our eyes on Jesus more than the storm, or than any pandemic. What is God doing and saying over you right now?

A Revelation of The
**HOLY SPIRIT: AS THE BREATH
OF BREAKTHROUGH**

David Diga Hernandez Encounter TV Network

Wind and breath can be symbols of the Holy Spirit. In the book of Acts, the coming of the Spirit was accompanied by the sound of a mighty rushing wind. In the book of John, Jesus breathed upon His disciples and instructed, "Receive the Holy Spirit." It was the wind of Heaven that opened an impossible path for the Israelites to move through the red sea.

At the blast of your breath, the waters piled up! The surging waters stood straight like a wall; in the heart of the sea the deep waters became hard. (Exodus 15:8, NLT) It was the breath of God that was released through the shouts of the Israelites - causing the walls of Jericho to fall. When the people heard the sound of the rams' horns, they shouted as loud as they could. Suddenly, the walls of Jericho collapsed, and the Israelites charged straight into the town and captured it.

(Joshua 6:20, NLT) Rest assured, it was not the shouts of the Israelites that caused the walls to crumble. The mere breath of men cannot accomplish such a thing. Nor was it the wishful thinking of Moses that caused the Red Sea to open. It was the breath of God, the wind of Heaven - it was the Holy Spirit. The Holy Spirit caused the water to rise like walls and the walls to fall like water. When the Holy Spirit begins to breathe upon your life and ministry, everything changes. What seemed before impossible, what seemed before too difficult, becomes easy. He makes a way where there seems to be no way.

Just when you think it's over, just when you feel like quitting - that's when the Holy Spirit's power is best displayed. He works beyond your ability; He even works beyond your timeline. He accelerates the timeline! The Holy Spirit can accomplish more in a single moment than can your best efforts in 100 years. The miracle that seems so distant, so far away, is closer to you than you think. The wind of the Spirit is blowing afresh upon you. Your breakthrough is just an act of faith away. Lift your hands and say, "Breathe upon me, breath of God."

YOU WERE CREATED FOR WORSHIP

Are you ready to unleash the power of Praise?
John 4:24, God is spirit, and his worshipers must
worship in the Spirit and in truth."

IT'S TIME TO REDEEM YOUR VOWS!

Psalm 50 vs 14, Offer unto God thanksgiving and pay thy vows unto the most high..15. And call upon me in the day of trouble I will deliver thee and thought shall glorify me.

God commands us to be thankful. He wants us to always acknowledge the fact that he is always there or us all the time. As human we love to be appreciated anytime we do something good to someone.

No matter how modest we want to sound, in our hearts, the word "thank you" goes a long way.

We also sometimes make pledges or vows to God, Promising how we are going to praise and thank him if he does what we ask him. But many of us tend to forget or become reluctant when it comes to the fulfilment of vows or attribute it to other people we unconsciously consider more relevant than God.

Today God is asking you to redeem the vows and pledges you made. And then see him do much more than you can think or imagine.

Scriptural Strategies to Promote Positive & Fair Working Environment that is beneficial to both Employers & Employees

Dear Employer,

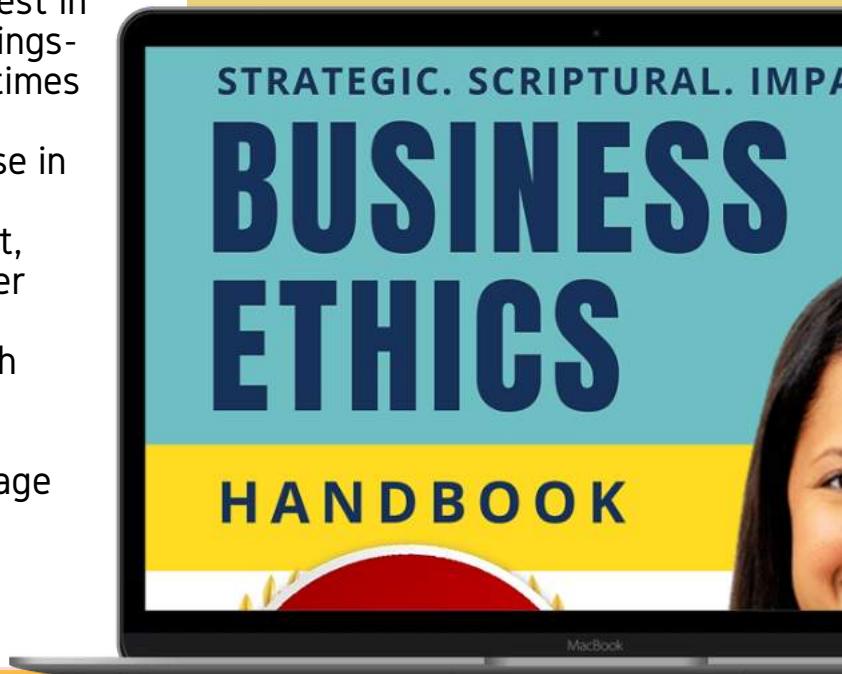

Organizations and teams with higher employee engagement and lower active disengagement perform at higher levels.

For example, organizations that are the best in engaging their employees to achieve earnings-per-share growth that is more than four times that of their competitors. Compared with business units in the bottom quartile, those in the top quartile of engagement realize substantially better customer engagement, higher productivity, better retention, fewer accidents, and 21% higher profitability. Engaged workers also report better health outcomes.

Biblical Based Interpretation of Dreams

Dream Symbol - Week 19 - Clothing

A dream of seeing oneself in clothing indicates covering God is providing. Your standing, authority or perspective in a situation

Symbolic Actions

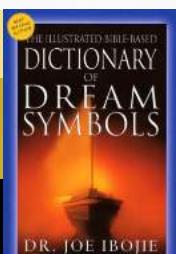

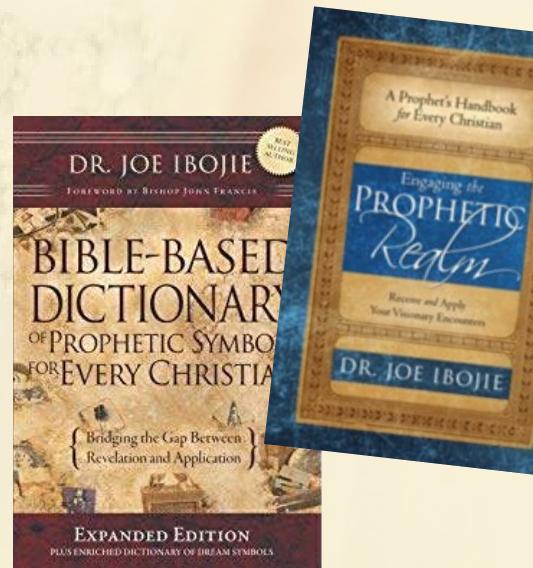

A dream with the dreamer wearing national clothing indicates special anointing to teach, impact, and influence people of that nation. Wearing rich clothing is a symbol of the dreamer moving in rich anointing or mantle. Wearing torn clothing is an indication of a defect in the manifestation of the anointing. Tearing clothes signifies sorrow, grief. Rags indicate poverty/lack (prayer is needed). Torn on one's body indicates mourning. Without clothing/naked indicates a lack of authority over an issue or lack of divine covering (vulnerable to attacks).

Individual Actions

Ever had any of these dreams? Depending on the content of the dream. Take up a suitable fast, repenting of (known or unknown sins) and Pray, asking God to remove anything contrary to His plans and promises concerning your life.

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. (3 John 1:2)

GUIDANCE ON NATURAL WAYS TO BOOST FERTILITY

If you've been trying to conceive for a while, don't panic – one in seven couples have trouble getting pregnant. Your first stop is your GP/ Doctor if you've had trouble for more than a year. If you're aged 36 or over, make an appointment after six months. Your doctor may carry out some tests to rule out conditions such as endometriosis – when cells normally found inside the womb start growing outside – and will start investigating other possible reasons you're having problems conceiving.

Approximately 10 to 15% of couples are impacted by infertility. Recently, the pivotal role that lifestyle factors play in the development of infertility has generated a considerable amount of interest. Lifestyle factors are the modifiable habits and ways of life that can greatly influence overall health and well-being, including fertility.

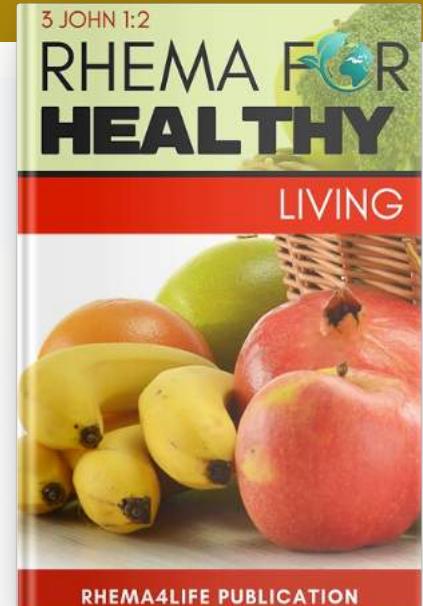

In the meantime, taking steps to boost your fertility naturally can help maximise your chances...

RHEMA FOR MARRIED & SINGLES

Let us help you deal with the most challenging questions you face in courtship, relationship and marriage

Does the Bible disagree with interracial marriages?

The Bible does not forbid interracial marriages. It does, however, forbid a Christian from marrying an unbeliever: "Do not be bound together with unbelievers; for what partnership have righteousness and lawlessness, or what fellowship has light with darkness?" (2 Cor. 6:14). In Numbers 12:1-8 is an account of Moses marrying an Ethiopian woman. "Then Miriam and Aaron spoke against Moses because of the Cushite woman whom he had married (for he had married a Cushite woman)," (Num. 12:1). Other Bible verses translate this as "Cush." Cush is the ancient location of Ethiopia. Miriam and Aaron were upset with Moses because he married a Cushite woman. Cush has also been considered to be the northern part of Egypt. Either way, it is very possible that the Cushite woman was of a different race. God defended Moses for marrying this woman. If race were an issue, this would have been a great place to set the matter straight. Also, people of different races were not mentioned as being among those forbidden by God for Jews to marry, see Exodus 34:11.

RHEMA FOR YOUTHS & YOUNG ADULTS

Let us help you deal with the most challenging questions you face as a youth & young adult

What can I tell my peers to make them back off from teasing me because I don't drink?

Physically alcohol can damage your liver, put undue stress on your heart and impair your memory. Emotionally it can cause you embarrassment from stupid behavior and create anxiety, cause family hassles, guilt from improper actions and a poor self-image. What happens is, that alcohol limits your freedom. It limits your ability to make right decisions and to act upon them. Don't give in to your friends' pressure. Hold firm. They will probably continue to tease you. But know that deep down they respect you for your convictions. Tell them it's not because of fear that you don't drink. Tell them it's because you are smart. Proverbs 22:3, 5 says, "The prudent sees the evil and hides himself, But the naive go on, and are punished for it. Thorns and snares are in the way of the perverse; He who guards himself will be far from them."

NEW TO HOMESCHOOL

COORDINATE WITH TEACHERS

Follow the learning plans, but have a chat with the teacher to learn what is expected of them and of you. Build a workflow that works for your child and your family.

SET A SCHEDULE...

You may be following a lesson plan, but it's up to you and your child to set how you'll work with it. If you do have the flexibility, set up times for study and breaks at times that work with your child and family.

...BUT BE FLEXIBLE

Changes do happen. Even if you have lesson plans and study schedules, home school is a new scenario for many. Don't be too hard on yourself. Allow time to adjust.

LEAN IN TO YOUR CHILD'S NATURAL INTERESTS

If your child is really engaged and self-driven on certain topics, schedule these topics during times where you can take a mental break or focus on other work.

CONNECT WITH PARENTS

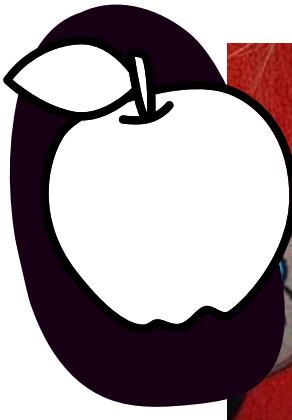

Mailing lists of group chats are helpful. You can chat with parents going through home school the first time, share stories, get tips. Times may be hard but you don't have to go through it alone.

MORNING PRAYER FOR CHILDREN

Dearest Lord, this is the day that You have made, and I will rejoice and be glad in it. Thank You, Lord, for another opportunity to serve You and to live life in fullness. Thank You for the good night's sleep You have given to us. Thank You for restoring our strength for today. Thank You for the bright hope that we have for the day ahead. Truly, Lord, life is more worth living with You as You guide us always.

BEDTIME PRAYER FOR CHILDREN

As we lay our heads to rest tonight, Lord bless my little ones. Grant them a restful night. Allow them to recover their strength, that they may face tomorrow with confidence. Quiet their minds and guard their hearts tonight, Lord. Let no cares or worries surround them as they sleep. Instead, let Your love and peace be with them during the night.
