We've all been there at one time or another and want to assure you that God offers love, forgiveness, and restoration. And can help you find renewed joy, peace, hope, and love today.

Jesus says these kind words to you, "My blood was shed for your present, past and future mistakes. I was wounded for your transgressions, I was bruised for your iniquities: the chastisement of your peace was upon me; and with my stripes your physical, spiritual, emotional and psychological healing was confirmed".

Behold, I stand at the door of your HEART and knock. If YOU hear My voice and open the door, I will come in and dine with YOU. (Rev 3:20)

Say this Prayer Now

IF YOUR RESPONSE TO THE INVITATION IS YES

Lord Jesus, I accept your invitation today. I am sorry for all my wrongs and repent of my ignorance. Please forgive me and help me become a better person committed to you all the days of my life, I accept Your death as the penalty for my sin, and recognize that Your mercy and grace is a gift you offered to me because of your great love for me, Today, I receive you into my heart as the Son of God and as Savior and Lord of my life. HOW DO YOU GET THE RHEMA WORD FROM GOD?

We receive a rhema word from God when the Holy Spirit specifically reminds us of a particular Bible verse or promise, and drops that "word" into our heart. He speaks this word to us in such a way that our heart is filled with faith. This kind of word from God g"empower us" in the spirit realm.

HOW TO UNMASK, SUBDUE & OVERCOME THE SPIRIT OF ENVIOUSNESS

BIBLE REFERENCE

Ephesians 6:14-16, Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness arrayed, and with your feet fitted with the readiness of the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one.

RHEMA FOR YOU

Enviousness was the spirit that motivated Cain to kill his brother Abel. Enviousness was the same spirit behind the fall of man in the garden of Eden. The scribes and Pharisees who motivated the crowd to choose Barabbas instead of Jesus did that under the influence of enviousness. All through biblical history, enviousness had been in operation and must not be taken lightly, tolerated or entertained, because its negative effect or outburst could be traced down to a series of betrayals, deaths, sabotage, abuse, etc... that most people face.

Enviousness is a spirit that disguises itself and like a chameleon adapts to the colour of an environment in other to fully carry out its wicked scheme. That is why the word of God urges us to test all spirits, in other to rightly decern its sources, identify its motive, and limiting its impact.

However, we must understand that it is unnecessary to pick up fights with those under such influence as this might create bitterness. Rather pray, keep your distance and "close the door" which means be wise in your dealings, uphold privacy in other to prevent access to valuable information about you. And put on the full armor of God so that you can make your stand against the devil's schemes; because the warfare is not against flesh and blood but against the rulers, against the authorities, against the powers of this world's darkness, and against the spiritual forces of evil in the heavenly realms.

It is also important to break soul ties where necessary and pray for the restoration of anything that you might have lost as a result of the operation of such spirits.

THE WINNOWING WINDS OF GOD'S SPIRIT NOW BLOW UPON THE THRESHING FLOOR OF THE NATIONS.

ITS TIME...DESTINIES CLOCK IS TICKING..!I hear the spirit say, "Beloved why do you fear and fret about the future?...Why is your heart so heavy?...Why are you so troubled by the turmoil and despair that threatens to overtake the Nations?...My Beloved, have I not said, that darkness will increase in these days...and that the hearts of many will wax cold?...Yes!! for surely these things must and will take place in order that My Word be fulfilled...But listen! For I tell you the truth...that though the works of the wicked will certainly increase in the days ahead....Know this!!!....The light of my Glory shall arise upon the nations and the darkness of the devourer will be extinguished and the powers and principalities of the prince of the air will be pushed back...and like a mighty battering ram the gavel of My Righteousness and Justice shall come down to smash to pieces the false idols and demonic strongholds of the enemy that have been established in the nations...,Who can stop what I have decreed and who can stand against what I predetermined and predestined before the foundations of the earth?... Beloved..do you hear it??...its the sound of the ticking of a clock...tick, tock, tick, tock...Look!! for the hordes of hell are being tormented by the sound of Destinies Clock...for they know their end and they know that the time is short...Beloved!! Come up higher...Open your eyes and See!...For the demons of deception, perversion, infirmity and death have been unleashed upon the earth...and their eyes are firmly fixed upon the harvest fields...and their assignment is to steal, kill and destroy...,But Fear not!!!

For a Righteous and Radiant Remnant clothed in the light of My Glory is now rising in the midst of the mayhem and satanic madness...Watch! For now an Army of Radical Reformers will Arise and Advance across the Nations...See! for they have been made into threshing sledges, new and sharp, with many teeth...and they will thresh the mountains and crush them...and they will reduce the hills to chaff...and they will take My Kingdom by force...So Stay Watching and Praying in these days...,as the Winnowing Winds of My Spirit now blow upon the threshing floor of the Nations...Listen and Pay close attention!...tick, tock, tick, tock...the sound of Destinies clock can be heard in the realm of the spirit....Do you hear it??...Are you ready?, Are you aligned and rightly positioned?,....Are you walking in time with My Spirit?... Beloved...See! for this is a kiaros time..,an appointed time in the earth...a time of divine Shifting, Sifting, Scattering and Separation has surely begun...for the Nations at a divine tipping point are now being Shifted, the wheat and the tares are now being Sifted...Yes!...and the demons of hell are now being Scattered and the goats and sheep Nations are now being Separated...Watch! As the Winnowing Winds of My Spirit now blow forth upon the Harvest fields of the Nations...Beloved, Get ready!! For its a time of Supernatural Acceleration and Kingdom Advancement in the Nations of the earth"...,says the Spirit of the Living God.

BREAKING FREE FROM THE STRONGHOLDS OF BITTERNESS - PT 2

David Diga Hernandez ENCOUNTER TV NETWORK

The Answer

But when you are praying, first forgive anyone you are holding a grudge against, so that your Father in heaven will forgive your sins, too. (Mark 11:25, NLT)Forgiveness is the key to freedom. Now, again, it's not my goal to be insensitive, but it would be terribly unloving of me to withhold the truth from you. If you want to be free, you need to forgive. There's really no way around it. To forgive is to let go.You may still feel the emotion of the offense. You may still feel the anger of the offense. Thankfully, forgiveness is not an emotion, it's a decision.

Twisted Teachings

Just let it go. People don't like that phrase: "Just let it go." That phrase seems so insensitive, so harsh, so simplistic. But that's the key. "Just let it go" isn't what people want to hear. I know what people want to hear. They want to hear what modern preaching tells them. Modern preaching says, "You can't just tell people to let it go. You don't know their story. You haven't been in their shoes." Now, they never really come out right and say it, but some preachers are essentially telling you that you have a right to un-forgiveness. The problem is that's just not the truth. As people who have been crucified with Christ, we have no rights to un-forgiveness. By telling you such lies, cowardly preachers are actually contributing to your staying in bondage. As people filled with the Holy Spirit, should we not have the grace to forgive? Should we not be the most humble, forgiving people on earth? Again, it's simple. But it's definitely not easy. But I'm telling you this because I want to see you go free.

No Need to Wait

You might be waiting for that perfect apology. You might be waiting for them to acknowledge their wrong, to humble themselves and present themselves broken before you. But that perfect scenario might never come. So we must be like Christ. While being crucified, before He ever received an apology, He cried out, "Father, forgive them, for they know not what they do." We must forgive faster than they can apologize. In fact, forgiveness doesn't begin after we've been hurt; forgiveness is the state of your heart before the offense ever takes place.Make allowance for each other's faults, and forgive anyone who offends you. Remember, the Lord forgave you, so you must forgive others. (Colossians 3:13, NLT)Make allowance. Carry the grace before the offense takes place. We must live prepared to forgive. Anticipating offenses, we must be ready to let go.

Colossians 4:2, Devote yourselves to prayer, being watchful and thankful.

Psalm 47 : 7, For God is king of all the earth, Sing Praises with Understanding.

There are so many reasons we have to sing unto the Lord. We sing to bless his name, to thank him. But today we see another reason why we must sing. He is the King. As king he reigns and rules in all the earth. But specifically today for being king over your life.
That means he rules in your life, he protects , preserve, provide, prospers and does so many things as King in your life.

As you go out today remember who rules in your life, you have nothing to be afraid or worried about, Just give him Praise and see him do wonders for you. Amen.

Confession;

Dear Father, I acknowledge that you are the king of my life. I humbly ask that you continue to rule in the affairs of my life in Jesus name, amen.

NATURAL REMEDIES FOR EPILEPSY - (2)

It is observed that Asians like herbs and spices and have far less seizures. Aspartame create a toxic system that is prone to seizures. Excess salt, sugar, alcohol, artificial sweeteners and lack of rehydration in combination with metal may create havoc with the brain. An epileptic seizure appears to be an overload of electrical current in the brain. Manifests in childhood or by changes in electrolyte, water or hormonal systems. Infections can precipitate. Injuries to be brain during birth, blows to head, tumors and strokes, food allergies, toxins, alcohol, drugs, hypoglycemia, too much liquid consumption at one time, stress and lack of sleep, aspartame, heavy metal toxicity, nutritional deficiencies.

According to WHO an estimated 25% of epilepsy cases are preventable. Preventing head injury is the most effective way to prevent post-traumatic epilepsy. Adequate perinatal care can reduce new cases of epilepsy caused by birth injury. The use of drugs and other methods to lower the body temperature of a feverish child can reduce the chance of febrile seizures. The prevention of epilepsy associated with stroke is focused on cardiovascular risk factor reduction, e.g. measures to prevent or control high blood pressure, diabetes and obesity, and the avoidance of tobacco and excessive alcohol use.

RECOMMENDATIONS

Eat small frequent meals, Whole grains, leafy greens, legumes for manganese. Seafood for magnesium. These help to stipulate the endocrine system and help improve condition of epilepsy.
Breathing exercises for relaxation and stress control is recommended.

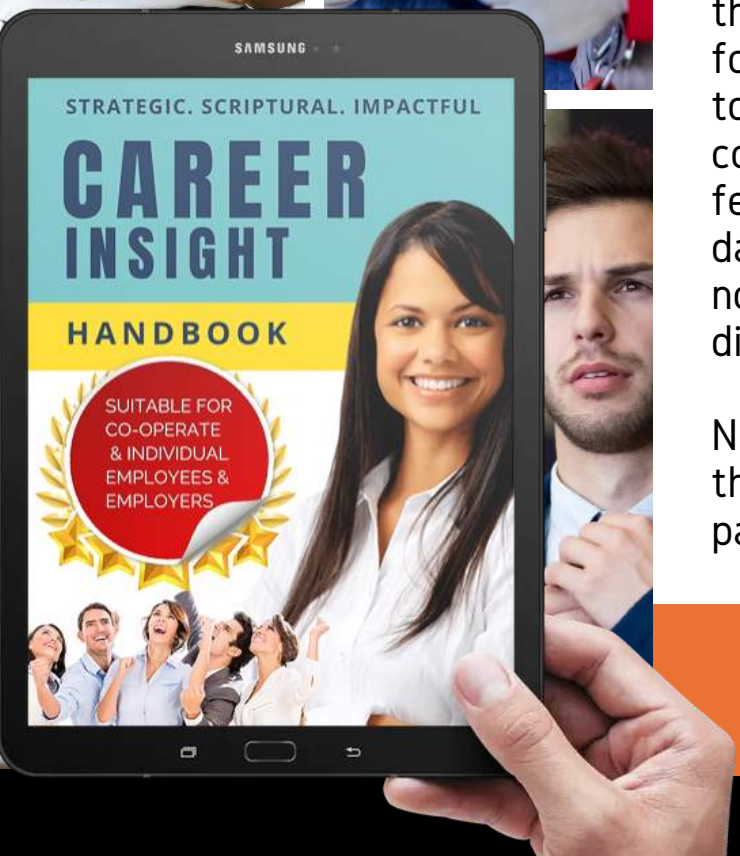
Career Insights



Do you struggle with anxiety or have an employee who does? Here's how to assist yourself or your employee recognize the signs, symptoms, and different types of anxiety and find a suitable relief.

First, let us understand what anxiety disorder is?

Anxiety is a normal reaction to danger, the body's automatic fight-or-flight response that is triggered when you feel threatened, under pressure, or are facing a challenging situation, such as a job interview, exam, or first date. In moderation, anxiety isn't necessarily a bad thing. It can help you to stay alert and focused, spur you to action, and motivate you to solve problems. But when anxiety is constant or overwhelming—when worries and fears interfere with your relationships and daily life—you've likely crossed the line from normal anxiety into the territory of an anxiety disorder.

NEXT WEEK, we will look into other areas that can empower you in your chosen career path.

Questions

MY PARENTS DON'T LIKE MY FRIENDS, WHY?

There are probably different reasons for different friends. Usually, the main reason is fear that a particular friend has been or will be a negative influence on you. They know (possibly from experience) how easy it is to pick up bad habits, and they dont want you to get into trouble. Or perhaps your parents think your friend is disrespectful.

Another reason is they might be thinking your friend isnt good enough for you. This is true especially if your friend is of the opposite sex and you want to date him or her.

Perhaps the underlying reason for all of these is that your parents want the best for you and very few of your friends can measure up to their standards.

It is important to ask your parents politely why they don't like your choice of association, and they will open up to you. Rather than initiating an argument or tantrum which is disrespectful and not right with God.

A SPECIAL INVITATION TO THE 8 NIGHT OF REVIVAL IN LONDON

Hi, Ilm Daniel Chand, an Evangelist and founder of Walking Like Jesus Ministries. This August, our ministry is hosting 8 nights of revival services in London.

We are calling those who are hungry and in need of a touch from God. We have a private field, and we will be hosting 8 consecutive nights of worship, preaching and prayer with signs and wonders accompanying. We have people travelling across the nation and beyond to get here, so bring your friends, families, and especially those that do not know Jesus. Eternity is burning on our hearts and it's time to preach the Gospel and reach souls like never before! We will be praying for every person and calling many to give their life to Jesus.

Join us as we take a stand for the Gospel of Jesus Christ in this unprecedented hour. It's time for Revival; it's time for soul winning; it's time for the UK. The services will start at 6:30 pm every night from 1st – 8th of August 2020. Spaces are extremely limited so we encourage you to book early along with friends and family at walkinglikejesus.org/tent. Do not miss what God is going to do through the Tent Revival."
